

EF-502

Figure 1 illustrates the experimental setup. A participant is seated at a table, looking at a screen. On the screen, there is a target (a small circle) and a starting point (a larger circle). A horizontal line indicates the distance between the starting point and the target. The participant's hand is positioned at the starting point, and an arrow indicates the direction of movement towards the target. The diagram is labeled with 'Participant', 'Screen', 'Target', 'Starting Point', and 'Distance'.
